Dear Sirs,

**Sub: Expression of interest to tender for supply of Biomass Fired Steam Generation Package**

Ref: You letter dated June 22, 2011

First of all we thank you very much for selecting us for the closed tender shortlist. We are very keen to participate in this tender.

Greens have been at the forefront of Waste Heat Recovery since Edward Green first patented the first Fuel Economiser in 1845. Since then we have installed several thousand Energy Systems and today our motto "Greens the world".

We are very happy about your Biomass Projects which has a social commitment for better environment. We are sure that your project will be a great success and we want to be a part of that success.

Towards our Expression of interest, find attached all relevant documents like, letter of interest, company profile, details of manufacturing facilities, quality manual, reference list etc.

Hope you find the above in line with your requirement and if you require any further information / clarification, please feel free to contact us.

Thanking you once again and assuring you of our best services and co-operation.

Yours sincerely,  
**For Greens Power Equipment India Pvt Limited**
